

Hearty Congratulations to our Budding Agronomists!

We are delighted to announce that **7 of our students have been selected as Agronomists at Pasumai Bharatham Agriculture Solutions, Trichy.**

This achievement reflects their hard work, dedication, and the strong academic foundation built at our institution. Stepping into the field of sustainable agriculture, they will now play a key role in driving innovation, farmer welfare, and eco-friendly farming practices across the region.

The official felicitation was held in the presence of our esteemed **Principal, Dr. Irene Vethamoni**, who honored the students and encouraged them to uphold excellence and integrity in their professional journey.

May you continue to grow, learn, and make our institution proud as you cultivate a greener, more sustainable future.
